This dynamic workout class is designed for all fitness levels, seamlessly blending stretching and strengthening exercises to engage every muscle and joint. It will enhance flexibility, mobility, and overall well-being. The class includes both standing and chair-based movements for a well-rounded experience.

Class is held Thursdays at 9 am, no registration required. Call 817-491-6060 for more information.

Summer Camp

Our summer camp offers kids an exciting and fun-filled experience, running Monday through Friday from 7 AM to 6 PM for 10 weeks. Each day is packed with a variety of activities that will keep kids engaged and entertained. In the mornings, campers dive into creative crafts, where they can make everything from colorful friendship bracelets to painted t-shirts. Afterward, they participate in a series of energetic games, ranging from team sports to outdoor challenges promoting teamwork and fun competition. On select days, we also go on exciting field trips to local parks, museums, and other exciting destinations, giving campers the chance to explore new places and make lasting memories. With a balanced mix of games, crafts, and adventures, our camp provides a safe and supportive environment where children can develop new skills, make friends, and enjoy the best of summer.

Outdoor Warning Siren

The Outdoor Warning System has 6 sirens located throughout the city.

The City of Roanoke only activates the sirens in the following conditions:

- A tornado warning issued by the National Weather Service
- Tornado or funnel cloud has been reported by trained SKYWARN storm spotters
- Sustained winds over 70 mph
- Hail 2" or larger
- Other emergencies as needed

When you hear the Outdoor Warning Sirens, you should immediately go inside and turn on an information source; do not call 9-1-1 unless you need an emergency response.

On the first Wednesday of every month, weather permitting, the City of Roanoke will test our Outdoor Warning Sirens at 2 p.m.
